16 June 2016	Generation of policy		Yes (Sandra Campbell)

PURPOSE OF POLICY

1. To inform students of the availability of College space and the circumstances in which it may be booked for internal and external meetings.
2. This Policy covers all events taking place on college premises; or events held elsewhere which are college funded, affiliated or branded.

POLICY

3. The College will give priority to room bookings in support of the academic purpose of the College.
4. This policy relates to the booking and use by students of College space identified in Annexe A.
5. Student members of the College may book rooms as described in the Student Room Booking Procedure.
6. The College reserves the right to approve or reject requests for room bookings.
7. All room bookings must adhere to the College's Policy on Freedom of Speech.
8. The Counter-Terrorism and Security Act 2015 and related guidance requires the College to strengthen its policies and procedures around the management of events and external speakers.
9. In order to manage and mitigate the potential risks and to balance its legal duties in terms of ensuring freedom of speech and academic freedom, and to protect student and staff welfare, the College will maintain a system for assessing and rating risks associated with events involving external speakers as advised by the UK Universities (see <http://www.universitiesuk.ac.uk/highereducation/Documents/2013/ExternalSpeakersInHigherEducationInstitutions.pdf>) and the Charity Commission (see <https://www.gov.uk/government/publications/charities-and-terrorism> and https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/351342/CT-5.pdf)
10. This system will be described in the Student Room Booking Procedure.
11. All events involving external speakers must be approved in advance by a member of the academic staff of the College or by the Senior Dean's Office.
12. External speakers are defined as speakers invited to attend an event who are not current members of either the staff or student body of the University of Oxford or its Colleges.
13. Encouragement of terrorism and inviting support for a proscribed terrorist organisation are both criminal offences. The College will not provide a platform for these offences to be committed.
