

St John's College
Oxford

Chemistry Study Day Wednesday 18th May 2022

St John's College is pleased to welcome applications for the Chemistry Study Day, which is open to non-selective state school pupils.

Are you **currently studying Chemistry at A-Level**, and interested in:

- Studying Chemistry at a top university?
- Trying out Chemistry puzzles in a 'lock-box' challenge?
- Learning about the Chemistry Admissions process at Oxford?
- Receiving tuition from Oxford Chemistry tutors?

To enter:

- Complete the application form on our website by **Friday 22nd of April 2022**

Please note, our study days are often oversubscribed and selection is based on academic merit*

*For further information on eligibility criteria, and application form, please see the College's website: <https://www.sjc.ox.ac.uk/discover/events/mathematics-and-computer-science-study-day-2022/>

What does the day involve?

- Academic taster sessions led by Chemistry tutor and academics
- A 'lock-box' Chemistry challenge, run by the department of Chemistry
- An application advice session
- A tour of St John's College
- A Q&A session with current Chemistry students and tutors

All attendees will receive a certificate of participation

All events and resources are free to qualifying pupils. Travel Awards and Digital Assistance Awards are also available for eligible participants.

If you have any questions or would like more information, please get in touch!
