Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms.	interest in monitoring and promoting equality of	Data Protection Act	The processing is necessary for equality of opportunity or treatment purposes in accordance with the conditions and safeguards specified in the Data Protection Act 2018, with a view to promoting or maintaining such equality.	N/A	
4	attendance, including records of student self- assessment.	We obtain this data from you  We generate this data about you  We obtain this data from the University of Oxford.	studies, our tutors monitor and assess your	Permanently.	Processing is necessary for performance of our contract with you;  Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms.	The College has a legitimate interest in keeping such records to help develop and guide students during their studies.	N/A		N/A	

5	Requests for assistance with academic matters, such as applications for special examination arrangements, requests for extensions to written work and submission of extenuating circumstances. Decision-making about such requests and records of actions taken.	We obtain this data from you We generate this data about you We obtain this data from third parties, such as medical professionals that you ask to provide us with information.	We process this information and make decisions about you when you ask us to, and in accordance with the College's policies relating to such requests.		Processing is necessary for performance of our contract with you;  Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms;  Processing is necessary for the performance of a task carried out in the public interest  Processing is necessary for compliance with a legal obligation	that such requests for assistance are considered	Substantial public interest under the UK Data Protection Act 2018	Where the College processes special category data for these purposes, the processing is necessary for the prevention of a breach of its obligations under the Equality Act 2010. The processing is necessary for reasons of substantial public interest, namely that the College must comply with its statutory obligations concerning equality and to make reasonable adjustments.  The processing is also necessary for the exercise of a protective function.  In both cases, the processing must be carried out without consent so as not to prejudice those purposes.		
6	Records of student helpers/hosts at open days, consisting of the name and contact details of the helper/host, records of the hours worked [WHERE APPLICABLE: and records of any payments or other benefits paid by the College]	from you	hosts on open days and can administer our open days [WHERE APPLICABLE: and can make payments/provide other benefits to student hosts/helpers].	[WHERE APPLICABLE: if records need to be held longer for tax/accounting purposes where students are paid, Colleges should amend the period accordingly]	[WHERE THERE IS A CONTRACT: Processing is necessary for performance of our contract with you];  Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms	The College and prospective students attending open days have a legitimate interest in current students acting as hosts, to give prospective students an insight into College life.				
7	Details of your accommodation tenancy or licence agreement, including the duration of your occupancy, payments you have made and decisions about accommodation applications and room allocation.	We generate this data about you		Records relating to accomodation tenancy or licence agreements will be retained for 7 years after the end of the academic year when your tenancy or licence ends.	Processing is necessary for performance of our contract with you;  Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms	The College and its residents have a legitimate interest in the College providing accommodation and operating it efficiently and safely.				
8	Other records relating to your accommodation, for example your contact information, accommodation requests and preferences, booking forms for students and guests, records of any family members or dependants who occupy the accommodation, records of overnight guests, lost property records, rental of fridges, records of your accommodation inventory and of the condition/cleanliness of your accommodation throughout your occupancy.	We obtain this data from you	In order to provide you with accommodation and related services and so that we have records for safety purposes of who is in College premises.	These records will be retained for six months after your tenancy or licence ends.	Processing is necessary for performance of our contract with you;  Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms	The College and its residents have a legitimate interest in the College providing accommodation and operating it efficiently and safely.				
9	Records of requests and bookings for rooms and facilities for events held by students/student societies, including records of any decisions the College makes pursuant to its obligation to take such steps as are reasonably practicable to ensure that freedom of speech within the law is secured for members, students and employees of the College and for visiting speakers.	from you We generate this data	As part of the system for providing College facilities to students and student societies.	Records will be retained for one year from the date on which a decision is made.	Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms;  Processing is necessary for the performance of a task carried out in the public interest;  Processing is necessary for compliance with a legal obligation.			Where the College processes special category data for these purposes, the processing is necessary for the prevention of a breach of its obligations under the Education (No 2) Act 1986. The processing is necessary for reasons of substantial public interest, namely that the College must comply with its statutory obligations concerning freedom of speech within the law.  The processing is also necessary for the exercise of a protective function.  In both cases, the processing must be carried out without consent so as not to prejudice those purposes.	condition in Part 2 of Schedule 1 to the Data Protection Act 2018	Where the College processes special category data for these purposes, the processing is necessary for the prevention of a breach of its obligations under the Education (No 2) Act 1986. The processing is necessary for reasons of substantial public interest, namely that the College must comply with its statutory obligations concerning freedom of speech within the law.  The processing is also necessary for the exercise of a protective function.  In both cases, the processing must be carried out without consent so as not to prejudice those purposes.

	Your fee status (e.g. home, EU, or international) and associated information about your country of residence, the amount of your fees and funding information including your financial declaration, details of any guarantee from parents or others, any supporting information you provide about funding (e.g. loans, grants, sponsorship and/or self-funding resources, including copies of evidence you submit) and decisions that we make in light of that information.	We obtain this data from the University of Oxford We obtain this data from you We generate this data about you We obtain this data from third parties (e.g. parents, sponsors, guarantors).	In order to determine the fees you are required to pay and to confirm that you will be able to meet the requirement to pay fees.	Permanently.	Processing is necessary for performance of our contract with you;  Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms;  Processing is necessary for compliance with a legal obligation	Legislation determines to an extent the level of fees you are required to pay, based on your country of residence.  The College has a legitimate interest in being able to satisfy itself that students have appropriate arrangements are in place to meet the costs of their course and living expenses.				
	Disciplinary, harassment or grievance records if a disciplinary, harassment, grievance or other complaint is made by you or about you to the College, including records of any investigation and / or decision that we take, and of any appeals process.	We obtain this data from the University of Oxford We obtain this data from you We generate this data about you We obtain this data from third parties	So that the College can maintain appropriate standards of conduct and behaviour for the benefit of all its members and visitors.	Disciplinary, harassment or grievance records about you will be retained for 6 years after the end of the academic year when you cease to be a registered student.	Processing is necessary for performance of our contract with you;  Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms.	The College, its staff and students have a legitimate interest in the College being able to operate disciplinary, harassment and grievance procedures in accordance with its procedures.	Substantial public interest under the UK Data Protection Act 2018	Where the College processes special category data for these purposes, the processing is necessary for the prevention of a breach of its obligations under the Equality Act 2010. The processing is necessary for reasons of substantial public interest, namely that the College must comply with its statutory obligations concerning equality and to make reasonable adjustments.  The processing is also necessary for the exercise of a protective function.  In both cases, the processing must be carried out without consent so as not to prejudice those purposes.	The processing meets a condition in Part 2 of Schedule 1 to the Data Protection Act 2018	Where the College processes special category data for these purposes, the processing is necessary for the prevention of a breach of its obligations under the Equality Act 2010. The processing is necessary for reasons of substantial public interest, namely that the College must comply with its statutory obligations concerning equality and to make reasonable adjustments.  The processing is also necessary for the exercise of a protective function.  In both cases, the processing must be carried out without consent so as not to prejudice those purposes.
	Records of College cultural life: photographs and written records of teams, choirs, clubs and societies, plays and performances, of participation in events and sporting fixtures and of the outcomes.	from you	To allow the College's cultural life to function and flourish, and in order to maintain a record of College life, which may be relevant to you individually (for example if you later request a reference from us), and which is also part of the College's own archive record of what its members have achieved over time.	Records will be retained within College archives permanently.	Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms	The College has a legitimate interest in maintaining a record of its cultural life, including for researchers and future students.				
17	Meal bookings and attendance.	We obtain this data from you	So that we may provide catering services to students and invoice them correctly for the services provided.	For 3 months after the end of the academic year when you cease to be a registered student.	Processing is necessary for performance of our contract with					
	Records generated for legal or statutory compliance purposes that contain names and/or associated personal data. For example, copies of data supplied pursuant to requests made under data protection and/or freedom of information legislation, records made to comply with safeguarding, health and safety or counterterrorism legislation, in connection with legal advice or claims, or to comply with auditors' requirements.		So that we have a record of information supplied, both in the interests of good administration and also to meet legal and regulatory requirements.	These records will be retained for a period of 6 years from the date generated for compliance purposes unless there is compelling justification for the data to be retained for a longer period (for example in connection with legal advice, or in relation to auditing obligations).	Processing is necessary for compliance with a legal obligation		Substantial public interest under the UK Data Protection Act 2018	Where it processes special category data for these purposes, the College is exercising functions conferred under legislation and/or complying wth regulatory requirements. The processing is necessary for reasons of substantial public interest, namely the requirement for the College to comply with its statutory and legal obligations.	condition in Part 2 of	Where it processes special category data for these purposes, the College is exercising functions conferred under legislation and/or complying wth regulatory requirements. The processing is necessary for reasons of substantial public interest, namely the requirement for the College to comply with its statutory and legal obligations.
19	Passport records for overseas trips and events.	We obtain this data from you	Where the College organises an event abroad (for example a College Choir event).	For 3 months after the date on which you return from the overseas event/trip.	Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms	The College has a legitimate interest in arranging cultural events abroad.	Explicit consent			

20	Information and copies of records confirming your entitlement to study in the UK, including records of your confirmation of acceptance for studies, passport, student visa and/or biometric residence permit, attendance records. We also have access to the University's system that shows whether you have the right to work in the UK.	We obtain this data		For 6 years after the end of the academic year you cease to be a registered student.	Processing is necessary for performance of our contract with you;  Processing is necessary for compliance with a legal obligation  Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms	The College, its students and the University have a legitimate interest in the Colleges being able to provide information to the University in order to enable it to comply with immigration law obligations.  In the case of right to work information, the processing is necessary for the College to comply with the requirements of UK Visas and Immigration under immigration law.			
21		We obtain this data from you We generate this data about you	Overseas students need visas in order to attend university.	For 6 years after the end of the academic year you cease to be a registered student.	Processing is necessary for performance of our contract with you;  Processing is necessary for compliance with a legal obligation		Explicit consent		
22		We obtain this data from you	So that we are able to contact people close to you in the event of an emergency.	For 6 years after the end of the academic year when you cease to be a registered student.	Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms	The College and its students have a legitimate interest in the College being able to contact someone you nominate for emergency situations.			
23		We obtain this data from the University of Oxford	to invite applicants for interview (in addition to candidates who have met the usual departmental admissions criteria): https://www.ox.ac.uk/admissions/undergraduate/applying-to-	Please note that if you participated in an outreach programme, such data may also be held on the Higher Education Achievement Tracker, operated by the University. An explanation of what is held on HEAT and for how long it is retained on that	Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms;  Processing is necessary for compliance with a legal obligation.	The College has a legitimate interest in ensuring that people from a range of backgrounds have the opportunity to attend the College.  Under relevant legislation the University is required to adhere to the agreement it has with the Office for Fair Access / Office for Students, which includes the use of contextual data in the undergraduate admissions process.			
24	conditions, personal tutor, university card number, contact details and any carer	We obtain this data from you We generate this data about you	So that we are able to deliver your course and can take account of your circumstances when we deliver it.	For 6 years after the end of the academic year you cease to be a registered student.	Processing is necessary for performance of our contract with you;  Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms.	The College has a legitimate interest in being able to take account of relevant circumstances when providing your course.			
25		We generate this data about you	l .	A permanent record will be retained in the College archive where your attendance and comments are recorded in committee mintutes.  Other records will be held for 6 years after the end of the academic year when you cease to be a registered student.	purposes of our or someone else's legitimate interests, except where overridden by your data protection	The College has a legitimate interest in having student representatives on certain committees, and it is necessary to process your data for those committees to function properly.
