

St John's College  
Oxford

## Medicine and Biomedical Sciences Saturday 11th March 2023

**St John's College, Oxford is pleased to welcome applications for the Year 12 Medicine and Biomedical Sciences Virtual Study Day**

*The Medicine and Biomedical Sciences Virtual Study Day is open to all Year 12 students currently attending a non-selective state-school in the UK.*

**Are you currently studying two of the following subjects at A-Level (or equivalent): Maths, Chemistry, Biology, Physics, and interested in:**

- Studying Medicine or Biomedical Sciences at a top university?
- Participating in taster lectures and workshops led by Oxford tutors?
- Virtually meeting Medicine and Biomedical Sciences tutors and current students?

### To sign up:

- Complete the application form on our website between 16th January and 8am Monday 13th February 2023 or [CLICK HERE](#) to sign up!

*Please note, our study days are often oversubscribed and selection is based on academic merit\**

- All events and resources are free to qualifying pupils. Travel awards and Digital Assistance Awards are also available for eligible participants.
- All places are reserved for candidates in Year 12 at non-selective state schools.

### What does the day involve?

- Virtual academic taster sessions led by Medicine and Biomedical Sciences tutors
  - A talk on careers in Medicine and Biomedical Sciences with industry professionals
  - Workshops on developing your personal statement and interview performance
  - Advice on preparing for and taking the BMAT
  - A Q&A session with current Medicine and Biomedical Sciences students
- All attendees will receive a certificate of participation
