The Bursar is authorised to charge interest on outstanding battels in certain circumstances. Such interest will normally be charged on the outstanding battels.

FINANCE

Students are asked to confirm that they are in a position to meet their financial obligations throughout their course. They should also inform the College of any relevant change of circumstances that occurs before they come into residence.

INCREASES OF CHARGES

The College is entirely dependent upon its investment and fee income and charges made to junior members. It must be expected, therefore, that such charges will be subject to revision. The College reserves the right to increase charges in the course of the academic year.
