

How to access **FREE WiFi**:

1

Switch on your smartphone, tablet or other WiFi device and check that WiFi is enabled

2

Select '**The Cloud**' from the available network list

3

Open your internet browser – The Cloud landing page will appear. If it is your first time using The Cloud WiFi network, follow the simple one-time registration process or log in

4

Once you're registered you will seamlessly connect to The Cloud WiFi without needing to re-enter your username and password.

Frequently Asked Questions:

Is registration required?

Yes, but this is free and you only need to register once to access The Cloud's WiFi service in all of The Cloud's venues. After which you only need to enter your username and password.

You can also register via the FastConnect app (Android and iOS) to automatically connect to The Cloud hotspots.

Does it cost to use the service?

The Cloud WiFi at St John's is free to use.
