

St John's College

Code of Conduct for Alumni and Friends

Our Community

St John's deeply appreciates and values the continuing support and involvement of its alumni and friends. Your contributions, both direct and indirect, enrich our College community.

Visiting your College

The College hopes that all its alumni and friends will always feel welcome when you visit. Whether you're attending a reunion, participating in an event, meeting with Fellows, staff and students or simply visiting, we want being back in St John's again to feel special.

While St John's values the connection between our alumni and the College, we have a responsibility to maintain a safe and respectful environment for all members of our community, including our students and staff. St John's provides a range of services and benefits to alumni and friends, including invitations to events, written and digital communications and access to the College and its members. These benefits and services are provided at the sole discretion of St John's, and the College reserves the right to remove access to them.

The College expects all alumni to respect its policies and to adhere to all College rules when visiting St John's; in particular, we respectfully ask all visitors to:

1. Interact with students, academic and professional staff in an appropriate and courteous manner.
2. Treat College grounds, facilities and resources with care and respect.
3. Maintain appropriate social boundaries with current students, in particular in mentoring or networking situations.

We look forward to welcoming you back to St John's.

College policies
