

## **Lamb and Flag Scholarships**

In 1999 the College took over the licence from Halls Brewery, who had leased the pub since 1829. In 2000 the college launched the '*Lamb and Flag Scholarships*', ensuring that the profit from each and every drink sold would be put towards these unique Scholarships which are awarded to graduate students.

Since 2012 the awards have been linked in with the University RCUK awards. These partnership scholarships cover University and College fees and living expenses for the duration of full fee liability. The living expenses grant for maintenance is in line with the UK research council rate.
