

# The Junior Deans

The Junior Deans are a key part of the welfare team at St John's, and one of us will be on duty every night during term time. We may be reached through the Lodge, or via [juniordeans@sjc.ox.ac.uk](mailto:juniordeans@sjc.ox.ac.uk). Come and see us any time during the day, or pop by during our office hours if you need a sympathetic ear.

## Giustina Monti

I work on Ancient History and Historiography, and I am reading for a DPhil in Classical Languages and Literature, researching on the idea of historical truth in a Greek author living in Rome. I also teach the Greek and Latin Languages, and a variety of subjects in Ancient History. I love cooking and baking, especially pizza, parmigiana, focaccia, and pasta. My favourite activities are travelling and swimming. I look forward to meeting you all.

## Jacob Taylor

I am an Australian reading for a DPhil in Cognitive and Evolutionary Anthropology. I am a rugby has-been, enjoy standing at 2nd slip (cricket) and chatting about evolutionary and/or political theory, and this year I am learning to long jump for OUAC. I am really looking forward to catching up!

学弟学妹们好! 我是人类学博士生李杰。大家有什么事或什么需要帮忙的, 可以尽管找我聊!

## **Nina Schneider**

I'm doing a DPhil in Classical Languages and Literature, focussing on early Greek epic. I love outdoor things like hiking, climbing, and motorbiking, but especially during the winter months you're likely to find me in the kitchen baking cake or bread. Don't hesitate to get in touch if there's anything you'd like to chat about.

## **Aravind Ganesh**

I'm a physician specializing in neurology, pursuing a DPhil in Clinical Neurosciences. I teach clinical medicine at St John's. I enjoy hiking and stand-up comedy. I look forward to meeting you all.
