Dear student,

We are delighted to welcome you to the St John's College community! We are really looking forward to meeting you and working with you during your time here.

While you're studying at the College, we'd love to hear what you're getting up to. Please share your news with us at alumni@sjc.ox.ac.uk – the alumni community enjoys celebrating the achievements and experiences of our current students. You'll also be invited to a range of events throughout the year, giving you the chance to meet alumni and grow your network. Keep an eye on your inbox for invitations and updates.

The College is committed to pursuing excellence while embracing equality, diversity and inclusion across all disciplines and programmes. We work closely with our alumni and donors, whose generosity – whether through gifts of time, expertise or financial support – helps make this possible. Their support enables us to invest in our students at every stage of your journey, from student support and graduate funding to access and outreach initiatives and early career opportunities.

Once you've completed your studies, we'll help you stay connected with both the College and your fellow alumni. In the meantime, you can find out more about the Development and Alumni Relations team, the work we do, and the benefits of being part of our alumni community by visiting www.sjc.ox.ac.uk/alumni/.

Our office is at Alumni House, 20 Giles, right next to the Kendrew Lodge – come and say hello.

In the meantime, the Development and Alumni team will be at the College Department Drop-in Session on the morning of Monday 5 October and we hope to meet you then.

With warmest wishes,

Kristina McLendon
