PURPOSE OF POLICY

1. The purpose of the policy is to describe how the College will meet its statutory responsibilities under the Prevent Duty.

2. The Prevent duty is the duty in the Counter-Terrorism and Security Act 2015 on specified authorities, in the exercise of their functions, to have due regard to the need to prevent people from being drawn into terrorism. The full Government Prevent Strategy can be viewed via https://www.gov.uk.

POLICY

3. Governing Body will ensure that it is understood by the College community as a whole, that principles of free expression, academic freedom, autonomy, confidentiality, privacy, and equality of rights, according to law, provide the overarching context within which the Prevent duty is to be considered; and that our Prevent duty strategy should be implemented in a manner that is proportionate and positively secures and protects those rights.

4. The College will ensure that the relevant members of College staff are appropriately trained in the Prevent duty as detailed in the College’s ‘Procedure for Prevent Training’.

5. The College will offer training to MCR and JCR officers as detailed in the College’s ‘Procedure for Prevent Training’.

6. The College will ensure that Prevent training remains subject to, and does not undermine, the rights of academics, students, staff and visiting speakers under existing law, including the Education (No 2) Act 1986, the Human Rights Act 1998, the Equality Act 2010 and data protection legislation.

7. The College will provide its members and staff with advice about how to identify and report those they consider may be at risk of radicalization, and encouraged to use the College’s internal systems to raise any issue in confidence. This will be detailed in the St John’s ‘Procedure to Identify and Report College Members and Staff at Risk of Radicalization’.

8. The College Prevent team members are:

   President: president@sjc.ox.ac.uk
   Principal Bursar: principal.bursar@sjc.ox.ac.uk
   Senior Dean: *senior.dean@sjc.ox.ac.uk *Prevent lead
   Fellow for Equality: equality@sjc.ox.ac.uk

   Last revised: 8 March 2017
   Policy: Prevent Duty
9. The College Prevent team members will meet periodically and the Prevent lead will liaise as required with the University Security Office and the University Registrar.

10. The College Prevent team will make every effort to avoid inappropriate referrals to the University. If an individual is highlighted as ‘at risk’ under the Prevent duty, the College Prevent teams will carry out an internal review as detailed in the ‘Prevent Team Assessment Procedure’. Any referral to the University will then be subject to a further internal review process where external advice can be sought anonymously. The University Registrar will be the single point of referral by the Collegiate University to Channel# to manage the risk of inappropriate referrals.

11. To promote transparency, the Prevent policy will be published on the College website.

12. Governing Body will review the operation of the Prevent duty annually, in consultation with student representatives.

13. Individuals wishing to complain about the operation of this Prevent duty within College, should do so as follows:

   (i) Students should refer to the College Appeals Procedure, available in Student handbooks.
   (ii) Academic staff should raise concerns with the President or Principal Bursar.
   (iii) Non-academic staff should raise concerns with their line-manager in the first instance.

# Sections 36 to 41 of the CT&S Act 2015 sets out the duty on local authorities and partners of local panels to provide support for people vulnerable to being drawn into terrorism. In England and Wales this duty is the Channel programme. The government describes the ‘Channel programme’ as being ‘about ensuring that vulnerable children and adults of any faith, ethnicity or background receive support before their vulnerabilities are exploited by those that would want them to embrace terrorism, and before they become involved in criminal terrorist activity.’
