Would you like to experience
a day in the life of an Oxford
student?

MEDICINE AND BIOMEDICAL SCIENCES

27TH APRIL 2024

ABOUT US

Apply by: 30th March

St John's College, Oxford, is pleased to announce that applications for our Medicine and Biomedical Sciences Virtual Study Day are now open! The Study Day is open to all Year 12 students attending a non-selective state school in the UK.

Are you thinking about studying Medicine or Biomedical Sciences at university? Would you like to meet Oxford tutors and students, and experience academic taster sessions? Sign up now!

WHAT'S INVOLVED? TO SIGN UP:

- ✓ Academic taster sessions led by Oxford tutors
- ✓ Information on applying to Medicine and Biomedical Sciences at Oxford
- ✓ A Q&A session with current Oxford tutors and students
- ✓ Complete the application form on our website by the 30th March using this QR code
- ✓ All events are **free to attend**. For qualifying students, a digital assistance grant is also available.
